

Outdoor Led Poster

Media Innovation outdoor

Features

Digital signage:

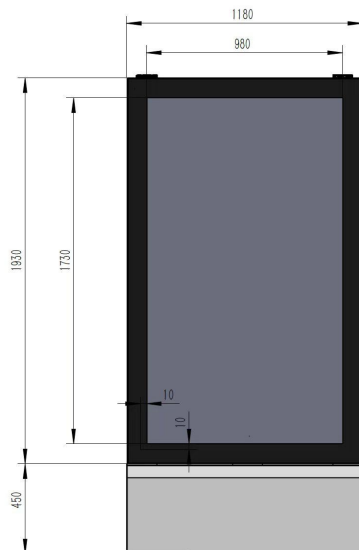

Digital kiosk led screen can display information, advertisement, news, weather. Compared with traditional advertising media, it has unique features such as strong liquidity, wide range of program releasing , high transmission rate, and is free from time and space restrictions. As a new media for advertising information.

Product Features:

- Aluminum heat-dissipation waterproof Cabinet design.
- Front protect tempered glass sheet with flip frame.
- screen ratio 16:9
- High beightness 4500-8500Nits
- Asynchronous controller: USB,LAN, & 4G Optional, cloud system.
- Built-in storage

Parameters

	ITEM	P.2.5	P.3	P.3.91
LED Module	LED	SMD 3IN1		
	Pixel Pitch (mm)	2.5mm	3mm	3.91
	Module Resolution (WxH)	128x64	64x64	64x64
	Module Size (WxH)	320x160	192x192	250x250
	Module Weight (kg/pcs)	0.55	0.45	0.45
	Module Quantity (V湘)	3x11	5x9	4x7
Cabinet	screen Resolution	384x704	320x576	256x448
	screen size	960x1760mm	960x1728mm	1000x1750mm
	Cabinet Size (WxH mm)	1160mm x1960mm x450mm x180mm	1160mm x 1928mm x 450mm x180mm	1160mm x 1950mm x 450mm 180mm
	Pixel Density	270336	194320	114688
	Weight Estimated	230kg		
	Cabinet Material	Aluminum		
	Ingress Protection	IP65		
	Maintenance	Module Rear maintenance with flip open frame		
	Protect glass	Front protect glass sheet with flip open frame		
Electrical Parameter	Color Temperature (K)	3200-12000 (Adjustable)		
	Brightness (nts)	4000-7000	4500-7500	5000-8500
	View Angle	H.120 ° V.120		
	Contrast Ratio	4000:1		
	Power consumption max.	1450w	1440w	1495w
	Power consumption Avg.	485w	480w	485w
	Refresh Rate (HZ)	1920-3840hz		
Usage Environment	Life (H)	100.000H		
	Working Temperature (°C)	-10°C~+40°C		
	Storage Temperature (°C)	-20°C*~+60°C		
	Working Humldty(RH)	10-60%		
	Ventilation	Fan		
	Storage Humldty(RH)	10-60%		
	Application	Outdoor Only
